# **ABOUT THE CORAL GABLES** **CHAMBER OF COMMERCE**

## **OUR MISSION**

The Coral Gables Chamber of Commerce is a 1,500 member, not-for-profit business association whose mission is to foster and enhance the economic interests and quality of life in the Coral Gables community.

## **OUR HISTORY**

Founded in 1925 by George E. Merrick, the Coral Gables Chamber of Commerce has served this community for more than eight decades. During that time, we have seen a City and community grow from the smallest dream into a booming corporate capital of the world. Today, we celebrate our founder with the George E. Merrick Award of Excellence, annually given to an iconic leader of our community who best reflects the vision of our City and Chamber's founder.

## **OUR UNIQUE POSITION**

A gateway to the Americas, Coral Gables is truly an international City, boasting nearly 150 multi-national corporations, the marquee Flags on Ponce program which celebrates its 20<sup>th</sup> Anniversary in 2013, and more than 20 consular corps and trade offices. With our close proximity to the Miami International Airport, our Chamber strives to connect businesses by acting locally and thinking globally.

## **OUR MEMBERSHIP**

Currently, the Chamber boasts over 700 companies as members, including nearly 150 Trustees, with offices headquartered in and around the City of Coral Gables. This nearly 1,500 volunteer corps leads the program of work for our Chamber annually and populates our nearly 20 active committees.

## **OUR LEADERSHIP**

The Chamber is led by a volunteer Board of 39 community business leaders that is empowered and directed by a 14 member executive committee. The Board determines the long-term strategic vision for the Chamber, as well as oversees its nearly \$1 million annual operating budget. The day-to-day activities are managed by the President and CEO who leads a team of 10 professionals.

## **OUR HEADQUARTERS**

Located in the heart of the Coral Gables business district, the Chamber owns a 4,100 square-foot building it purchased in 2005 that houses our team, as well as serves as a host venue for committee meetings and planning sessions every day of the week.

## **OUR PURPOSE**

With 20 committees actively engaged in the work of the Chamber, our members are involved in a variety of economic initiatives. From business and economic development efforts to international affairs programs, from special events to community affairs, and from membership initiatives to government advocacy, the Chamber is the leading voice for business in our community.

These working committees contribute to the economic vitality of the Chamber, Coral Gables, and the surrounding municipalities, as well as provide our members a prime position for the advocacy and promotion of our business community.

The Coral Gables Chamber of Commerce serves as the voice for business in Coral Gables and works closely with our

members, partner organizations, and officials to encourage commerce, creatively solve problems, and set an aggressive pro-business agenda for the community.

## **OUR MESSAGE**

The Coral Gables Chamber of Commerce offers our members tremendous tangible value and visibility, while strengthening our relevance in the community by serving as a resource, advocate and point of access for our stakeholders.

## **OUR VISION**

With a renewed emphasis on economic development, small business and travel and tourism, the Coral Gables Chamber of Commerce is poised to serve a diverse membership and community by acting as a catalyst for business growth and sustainability.
